Also, all text information in the recommended 25 page limit should be shown in a readable font, size 12 points or larger. Headers, charts, and other graphics may be provided in a different font type and size providing they are legible. These recommendations will be considered when evaluating the quality of proposal.

DBE goals may be applied to Work Assignments at MDOT's discretion. In the event that a DBE goal is required on an individual work assignment, MDOT approval of the DBE sub consultant(s) will be required.
